

Infinity+ Order

Pre-order meal app for secondary schools, sixth forms and colleges

On-the-go school meal ordering

Infinity+ Order is the innovative pre-order app for secondary schools, sixth forms, and colleges that streamlines the school meal ordering and payment process. The app allows pupils to pre-order school meals anytime, anywhere, and benefit from a contactless lunch experience while making it easier for schools to minimise lunch queues and improve the speed of service. Pupils can pre-order meals and view their live cashless balance and transaction history from their mobile device.
